

“What If I Could Give You Just One Program That Would Make You Money Every Month And Improve Your Relationship With Your List So They Eagerly Await All Your Offers?”

Dear Affiliate Partner,

How would you like to have something really compelling to tell your subscribers about? Not some weak Internet Marketing program that gets very little response. Think back....have you ever sent out a not so stellar offer to your list? In the end it probably wasn't worth the time and effort....and may have weakened your reputation with your list!!

How would you like to introduce your list to a high quality program that pays you every month - month to month, year over year....just like clockwork. And leaves your subscribers screaming for more! Imagine what you could do with a **steady flow of recurring cash** into your business every month. You could grow your business, get into another niche you were thinking about, hire some help so you can see your wife and kids more often ☺ Or, just spend it on a vacation or that new “toy” you've had your eye on!

Who am I to make such an outlandish offer to you? My name is Michael Glaspie, better known as MikeG. – that's who! I've been successful on the Internet since 1997. Very successful. Sure, I expect you to be a bit skeptical. After all, how often do you get an offer like this! So, go ahead, check me out. Every one of my websites are within the **top 1% of all sites visited** online and several are in the top 1/10th of 1% of all sites visited online!! Here's a partial list of some of my successful sites:

- BannersGo MLM.com
- BannerCo-op.com
- FreeMarketingInfo.biz
- CDfree.tv
- NetMarketing2005.com
- IconAlert.com
- NoBSzone.com
- FreeLinksNetwork.com

Then when your finished there, “*Google me*” and see what the Internet has to say about me. Well what do you think? Am I full of hot air? Or the real stuff! With years of experience and literally **millions of dollars in sales** and successful businesses behind me, I can make these claims.

So here's what I'm offering YOUR subscribers. I'll get to YOU later. I'm offering your subscribers a totally unique, high quality Tele-coaching program hosted by me and a number of experts, twice a month. **Regardless** of their current level of knowledge, experience or expertise, regardless of where they are now in their efforts to build a successful website or many successful websites, **I can help them!**

Twice a month I'm **opening up my phone lines** and setting aside **one hour** to discuss with your subscribers **any**, and I mean any, issue that they may have. You and I both know the number one reason that people fail on the Internet is it they just don't have the **correct answers** to their questions and they don't know who to turn to for the resources that they need. There's just so much crap out there! You've now got the chance to steer your subscribers in the **right direction** so they can be **successful** and love you for showing them the way.

These few short paragraphs don't give this exciting program any justice. **Go on over** to the sales letter **you will be sending** your list at: www.mikegtelecoach.com What do you think? Is that something your list will be excited about? And with a price of only \$19.95 per month this truly is a no-brainer for anyone serious about getting ahead in the Internet business.

Now...I know you've been patiently waiting for this part. What's in it for YOU!

First and foremost, there is a 50% commission per subscriber to my Tele-Coaching Program, from your list. And that is **month to month**, every month they are in the Program!!! Aren't you tired of one-shot Affiliate programs that don't have "legs", that don't provide a steady stream of income, over and over?

MikeG!

I'm a proud Affiliate Partner of your Tele-coaching program and have noticed my monthly income skyrocket since I introduced your program to my subscribers! What amazed me was the conversion rate I got – 4%! Thanks for showing me the way to increasing my monthly cash flow. It sure is nice not to have to worry about how I'm going to pay the bills at the beginning of every month.

Don't you hate it when you have to wait a month for your Affiliate payouts?

We have implemented an EZpay system for all our Tele-coaching affiliates. The first few days of every month when I process the payments, **you get paid**. I don't hold onto the money until the end of the month. **You get it right away!** Nice cash flow for your business, month after month, just like clockwork and I don't sit on it collecting interest, you do!

Do you lose subscribers from your list when you make a "not so hot" offer?

I know we all try to find valuable, high quality programs to tell our lists about so they will continue to seek our advice. But sometimes we let a weaker program slip by and pay

the **consequences of subscriber cancellation**. I know, I've done it too. I wouldn't have gotten this far without making some mistakes...and learning from them. What if you could get back some of those lost subscribers with just one new offering? This high quality Tele-coaching program will **put you in great standing** with all your subscribers. It is a quality program, offered by experts, at a reasonable cost....where they can ask questions **directly**, not get lectured to. Surely, the word will get out by word of mouth, from friend to friend, by e-mail, and telephone to other would-be subscribers who will **opt-in** for your valuable programs. That's what **viral marketing** is all about!! And you have the best program to make this happen.

MikeG,

I sure was skeptical at first that you could offer a high quality program at such a low cost. But was blown away by the caliber of the experts and the in-depth information you provide. I not only became a Partner, but I signed up for the Tele-coaching myself and have learned how to use your program to get more subscribers! I wish I had known about this sooner! Keep up the good work!

What are the three most important ingredients for success in Internet Marketing?

Test, test and test. Ya, I know, I'm preachin' to the choir! So, if you're still not sure here's what I recommend that you do. Take 10,000 names from your list and do a test. Send them to the sales letter and **see what happens**. Our experience has shown that we convert better than 2-3%, and in some cases 5% of the list. What does that mean to you? Let's say 3% of the 10,000 names sign-up. That's \$3,000 per month, \$36,000 per year, **just from your test!!!** Can you imagine what you will do with that amount of instant cash into your business...and you've **only scratched the surface!** Just think what will happen when you **roll it out** to the rest of your subscribers!

**If you are looking for an exciting and compelling program
to tell your subscribers about.**

**If you want a program that will improve your value
and "standing" with your subscribers.**

If you want to attract new subscribers through viral marketing.

If you want to get paid not just once, but every month, over and over.

Then you need to **signup now** and become an Affiliate Partner of the Mike G. Tele-Coaching Program. This is a **closed affiliate program**, which means I will not open it up to everyone on the Internet to resell! I'm serious about **protecting** the quality of the

program and to make my Affiliates **very profitable!!** By joining you get the **exclusive** rights to resell this special, unique, one-of-a-kind program!
